

Sensory Moment in Time

- Each member of the team chooses a moment from your book as you have read so far.
- For each moment, recreate the chart below so that it takes up an entire sheet of printer paper, landscape style.
- Imagine you are a member of the inner circle of people in your book or the community they belong to.
- Brainstorm a list of ideas to complete the visual chart using the senses.
- You may all work on all of the moments.
- You will complete the charts as follows:
